(a) to (c): The Department of Personnel & Training deals with the placement of officers to fill up the posts under the Central Staffing Scheme through the panel system. The names of only those officers are included, in the panels, who are given vigilance clearances by their respective cadre controlling authorities, respective parent cadres and Administrative Vigilance Division of this Department. The posts falling in the cadres of various services as well as those having Recruitment Rules are filled up by the concerned Ministries/Departments on their own as per the prescribed procedure.
